## Director's Corner

Children House children have been very busy creating a lot of great memories this summer. Many special trips and walks have been taken, water days and special events.

August is often a month marked with both endings and beginnings. The summer program will end on the 19th and soon our Pre-school graduates will be entering Kindergarten. A Pre-K graduation will be held on August 19, in honor of the graduates. It has been our honor to serve these families over the past five years and pray for their new journey.

Our new school year will begin on August 29, with visiting day on the 26. Teachers will be preparing the rooms and curriculum for the new school year. A Meet Your Teacher night will also be held for families. More information will be coming home soon.

This month a new Christian curriculum will be implemented in the center. It will be based on the fruits of the spirit. August will be focused on Love. The schedule for the school year is below. Please note some months will not be a part of the fruits of the spirit but will focus on another Christian theme.

August: Love  
September: Joy  
October: Peace  
November: patience  
December: Christmas  
January: Kindness  
February: Goodness  
March: Faithfulness  
April: Easter  
May: gentleness  
June: Self-control  
July: Jesus loves me

## Baby Bunnies

Last month we had lots of USA themed fun. The Bunnies loved their various activities. Cash colored his Olympic flag. Kellen sang "Row, Row, Row you boat. Finn created fireworks art with marbles. Quincy chatted with her friends. Theo has started walking. Iris watches her friends play while in the Jumperoo. In August, we will learn about animals. From the ocean to the farm, we can't wait to learn about them all.

In August, the Baby Bunnies will walk on the wild side as we learn about animals. From the ocean to the farm, we can't wait to learn about them all. Together we will discover the sounds they make and the places they live. Many nursey rhythms will be used to discover. Nursey Rhymes introduce infants to the idea of storytelling, promote social skills and boost language development. Of course they are fun as well and we enjoy them.

## Busy Bees

This month we are learning about a variety of topics.

Week 1 – We will introduce community helpers and all they do for us.

Week 2 – We will be learning about transportation and all the different ways people get around.

Week 3 – Is all about me! We will be talking about how we are the same and different.

Week 4 – Nursery Rhyme Time. Our class will be exploring some of our favorite Nursery rhymes.

Reminders – Closed toe shoes are required for our outside time. If you want sunscreen on your child please send it in and we will be happy to apply it before going out on our walks.

The summer might be coming to an end but not so fast because the Starfish have many more adventures ahead!! This month we will continue to travel and explore Springfield, including a trip to the Springfield Children's science museum. Our themes this year include, Bugs are rad, Road trip USA and summer camp round-up.

A special thank you to our parents for attending our July talent show. The Starfish worked hard preparing and were very excited to present the show.

We have certainly made many memories this summer and have enjoyed much of what Springfield has to offer. Friendships have been made and have enjoyed our time together. We wish everyone a safe and happy school year!

## Sunshines

Dear Families,

We can hardly believe it's already August! The Summer is flying by!

This month, we will be talking about our community. The first two weeks will focus on community helpers: medical workers, first responders, and these in the construction and sanitation fields.

The last half of the month will be about fun community events like the Fair and the Circus! If you have any books about our topics, please feel free to share.

God bless,

Ms. Wendy  
Ms. Cassandra

## Shooting Stars

Hello Shooting Star Families!

It's August! Summer is flying by, but we will still have a lot more to learn and even more to play! Our monthly color these is Color Review/Rainbow.

Our weekly themes include:

Week 1: Community Helpers

Week 2: Transportation

Week 3: Circus/Fair

Week 4: Bubbles – End of Summer Fun –

Week 5: Back to school/About me/Transition week

We hope everyone has a great back to school season! We are looking forward to a new month and fun learning with our Shooting Stars!

Ms. Rebecca  
Ms. Connie

## Rainbows

5,4,3,2,1..... Blast off into our August science unit. It will be out of this world. Together we will discover the world of Dinosaurs, insects, and outer space.

August 1- 5: Outer space

August 8 - 12: Dinosaurs

August 15- 19: insects

August 22-26: Christian living; The Lord is my Shepard

August 29 - September 2: Welcome to the Rainbow Room

All month long we will be preparing for our transition to kindergarten. This is a huge milestone for preschoolers. Starting school can be both exciting and scary. The new experience can be overwhelming for the child and the parents. Throughout this month our class will be talking more about kindergarten and learning about what we will see, hear, and do in kindergarten. Everyone will have an opportunity to express how they feel about kindergarten. We will review what to expect the first day and discuss familiar concepts dealing with the new adventure. Several stories will be read in class and a book list will be sent home to families. Also, several helpful family tip sheets will be sent home.

In honor of our graduates, a Pre-K graduation will be held on August 19 at 6:00 p.m. in the church sanctuary. We would like to wish our graduates the best of luck and many blessings on their new adventure.

Our Graduates: Magnolia, Zachary, Carina, Weston, Lincoln, Landon, Warrick, Liam, and Wyatt.

Ms. Erica
